

The Easy Way to Learn English by Sadruddin Ahmed Pdf 206 Forget about the expensive, time-consuming methods. The best way to learn English is to read novels in the original language. It is much easier for children to learn when their parents are reading stories out loud or in their own language. The more you read, the faster you will improve your reading abilities in general. When you read a book, your vocabulary expands and your fluency increases. Choose a story that inspires you, one that you know is appropriate for your age. It can be a fantasy, a science fiction or a fairy tale. Use a dictionary to help translate words that are unfamiliar. The more often you read the same novel, the better you will understand it! The more often you read, the faster you learn. After reading the same book several times, it becomes easier to understand because as your vocabulary grows and as your fluency increases, so will your comprehension skills.
